## UNSIGHTLY SIBLINGS

### #1

### #2

You guys
What are you, gangsters? Getting into fights at the crack of dawn.
You guys are some pro-pitch high schoolers
You can't live without each other,
Why would you ruin them?
NO WAY!!
Your car color is black, right?
Akaza
Told what says it's white
It is white
I will, you idiots..
.....

So, you don't want a car.
I see.
Ah, that's you and the girl.
Also, probably his sister.
Right, you don't have a girlfriend.
God is love, but girlfriend ka lang?
Woah... but they must be real friends to stick close!
I guess that's what adult siblings are like?

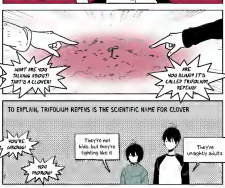
Eh, that's your problem. Even if we are in a complex state of persons conflicting with each other.
You need to prove your opinions as fact by using evidence.
I have always said my best with the basis of truth behind it.
But it seems you have feels that your opinion is the one and only truth.



WHAT ARE YOU TALKING ABOUT? THAT'S A CLOVER!
YOU ALREADY IT'S CALLED TRIFOLIUM REPENS!
TO EXPLAIN, TRIFOLIUM REPENS IS THE SCIENTIFIC NAME FOR CLOVER
YOU'RE WRONG!
They're not kids, but they're fighting like it
They're complete adults
YOU'RE PATHETIC!
